**Oxford  
Sixth Form  
College**

A NORD ANGLIA EDUCATION SCHOOL

It all starts  
with *you*.

Celebrating the  
individuality  
and journey of  
every student.

“

For my whole life I have been told that school is like your second home and I never felt that until I got to Oxford Sixth Form College. Coming here has given me the confidence and drive I needed to realise what I want to do next. I feel very comfortable here, all of the staff are kind and have really helped me in the last year.”

— Diana, A-Level Student

# Welcome to Oxford Sixth Form College

A highly successful, independent college located in the heart of Oxford, specialising in Two-Year A-Level and BTEC Business, One-Year GCSE Programmes, Pre-A-Level and Study Abroad Programmes.

**We strongly believe that one size does not fit all. Every student has different aspirations and abilities and through a focused, inclusive admissions process, small class sizes and individual holistic support from Senior Tutors, we provide an environment in which students can really thrive and pursue their own personal path.**

The results speak for themselves. We are among the top 1% of schools and colleges in England for progress at A-Level and across the past three years nearly one third of our students have progressed to a QS World Top 100 university ([www.qs.com/rankings](http://www.qs.com/rankings)).

Our students progress to a wide range of degree programmes at top UK universities, including business management and economics; mathematics, engineering and computer science; medicine; law; art and creative media; history and international relations.

Whilst the biggest percentage of our students are British (20%), with a cohort of over 35 nationalities we celebrate and welcome the cultural diversity and global outlook that this brings to the college. Our central-Oxford location provides students with the best of British culture at their doorstep and our curriculum ensures an authentic UK education experience.

Being part of the Nord Anglia Education family of schools means that we can take your sixth form experience beyond the classroom, through expeditions and working with students at Nord Anglia schools across the world through Global Campus.

Oxford Sixth Form College can provide what you need to help you reach your goals, whether that's a strong support network, a university applications expert, a focused learning hub, or your own personal mentor.

I am looking forward to meeting you soon.

**Carole Nyssen, Principal**

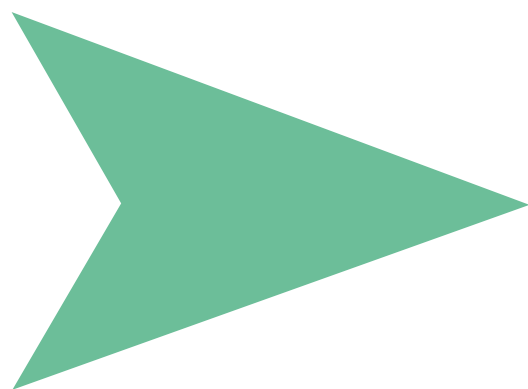

Carole has worked in education for over 35 years and her career to date includes 15 years in Senior Management, pastoral and academic roles in sixth form colleges. With a focus upon the academically non-selective sixth form college sector, Carole is a passionate believer in celebrating every student's success, not solely those of the academic high achievers.

**Marc Lewis, Assistant Principal**

Marc has worked in Academic Management in the independent schools sector for 20 years, both in Oxford and London. His role encompasses the management of examinations, producing and managing the teaching timetable and enabling support for students with special educational needs.

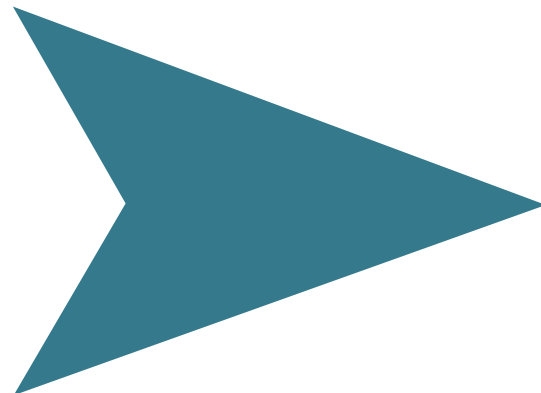

Through our  
**in-depth admissions  
process**  
we match the right  
student to the right  
programme, based on  
your future aspirations  
and desired career path.

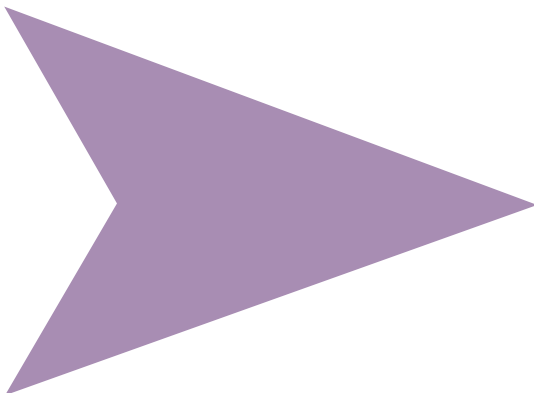

**Our Subject Combinations**

# Celebrating *your* success

At Oxford Sixth Form College, our focus is on ensuring that each student has all the support they need to pursue their own individual career path. Through careful and expert guidance and support our students are able to attend the universities that best fit their interests and goals.

Year after year, our students gain entry to top UK and Russell Group universities, specialist art colleges, business schools and medical schools. Our 2023-2024 UCAS university offers and our 2022-2023 university destinations reflect the breadth of our students' individual interests.

In this college I have found a community of people to love and that have supported me throughout my studies. The environment is very friendly and the teachers get very involved in their students' accomplishments."

— Sara, Spain, now studying Neuroscience at the University of Melbourne

University of Central Lancashire	Medicine and Surgery

# Supporting you all the way

As soon as you enrol with us you will be assigned a Senior Tutor, who will guide and support you from your first day at College to the moment you receive your exam results and beyond. They act as a hub through which to streamline communication between your parents and the college, support you with your university application from beginning to end, and help with any other academic or pastoral issues that may arise.

Weekly meetings with your Senior Tutor ensure that you remain happy and successful here, and they give you an open forum to discuss:

## Goals

Your study needs, academic goals and Individual Learning Plan

## University

University applications

## Concerns

Any concerns or complaints you may have

## Wellbeing

Your general wellbeing

## Benefits of our Senior Tutor system

- Senior Tutors have a complete, holistic view of a student's academic and pastoral needs
- There is a single point of contact between the college and parents or guardians
- Students feel more supported and encouraged in their learning
- Regular meetings ensure that they are able to follow up on any concerns to find a quick and workable resolution

## Meet the team

Each one of our Senior Tutors has a wealth of experience in pastoral care and safeguarding, guaranteeing students the best possible advice and care. They teach the Super-Curricular Programme classes and the Personal Social Health Education classes.

**Alison**

**Robert**

**Vicky**

The team is supported by Sevi Spicer, Director of Student Services, who has a wealth of knowledge and training to ensure that all students are supported both in college and in the boarding houses.

**Sevi**

Learn more about our Senior Tutors

# Providing the best quality tuition

Our teaching staff are dedicated professionals who combine thorough knowledge of their subject with a mission to help students perform to their best. They are highly skilled in teaching methods that build greater subject understanding and our small class sizes allow them to attend to individual academic needs.

70% of our teachers have a postgraduate degree and nearly 95% have over 10 years of teaching experience. Our BTEC teachers bring valuable industry experience, which aids their teaching and gives our students much more insight into real-world business scenarios.

1/3

of our teachers attended OxBridge

95%

of our teachers have over 10 years teaching experience

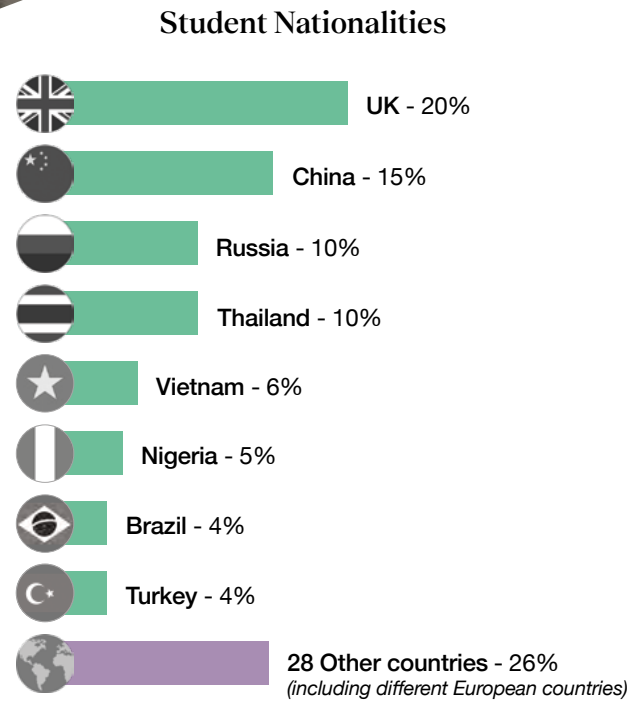

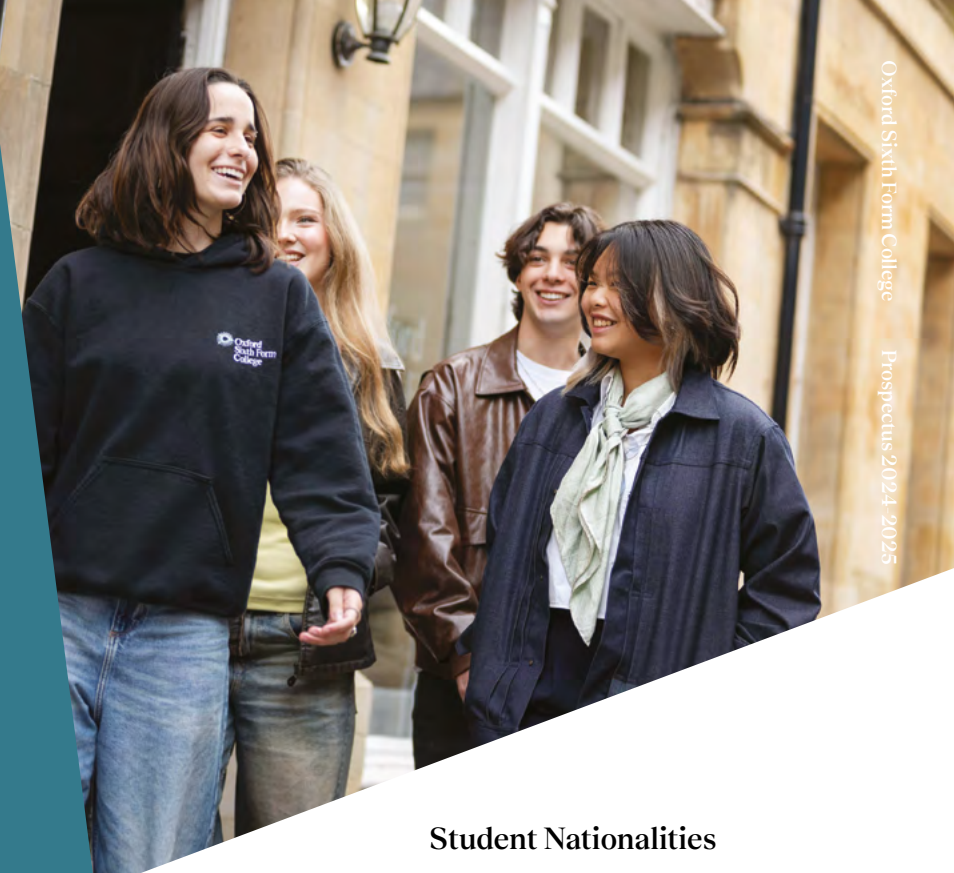

# A global community

With students from over 35 different countries studying with us, you will be part of a diverse and vibrant community and have the opportunity to learn about different cultures from your peers. Twenty percent of our students are British, and English is the common language around the college, so international students will have plenty of opportunity to improve their language skills and immerse themselves in British culture.

“

When I first started at this college, my main concern was making new friends. I was able to make really good friends as everyone at the college was very friendly and welcoming. I got to meet different types of students from different parts of the world who have great ambition for the future. I was also part of the Student Council which was a great experience to be in as it was fun to create new activities, organise events at the college and to represent the student’s voice at the college.

— Krish, UK, now studying International Hospitality Management at the University of Surrey

“

All of my teachers are great professionals and really help me with any questions I have no matter how hard they are. I would highly recommend Oxford Sixth Form College because of the high teaching quality, great community and diverse group of students.”

— Khondamir, Uzbekistan, current A-Level student

“

Oxford Sixth Form College appealed to me for two key reasons. Firstly, the College’s community of students from numerous other countries was a big reason for me joining as it provides me with an excellent environment for me to study my A-Levels. Secondly, the course content for Economics and Politics matched my interests perfectly.”

— Andres, Spain, current A-Level student

“

This is a really great school. The teachers are really kind and helpful and I’ve had a lot of support here. I came here on a Scholarship after winning an Olympiad and I’ve learnt a lot about business, with the opportunity to explore lots of different topics.”

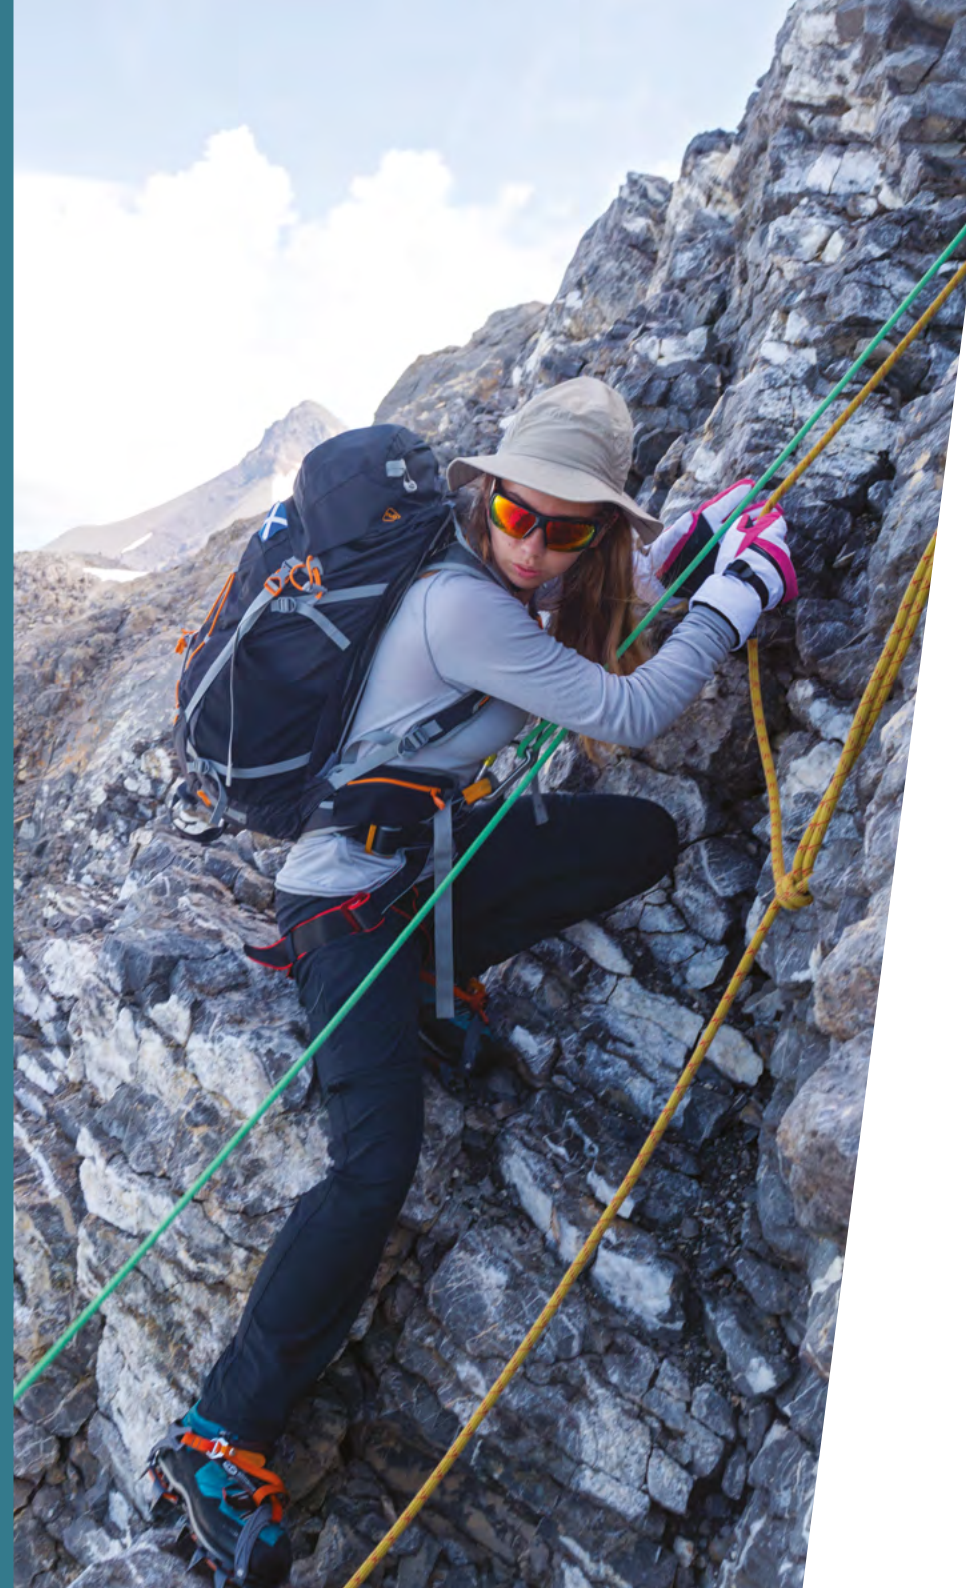

— Ning, Laos, now studying Human Sciences at the University of Exeter

“

I would recommend the College due to the tremendous support it provides students in their university applications. These include a constant review of personal statements, support with regards to grades improvement and in preparation for various examinations needed in order to be accepted into the student’s choice of universities. I benefited from this support which enabled me to get offers for different universities including UCL”

— Vanessa, Nigeria now studying Law at University College London (UCL)

## Global Campus: a community beyond the classroom

In addition to being part of the international community within our College walls, you will also have the opportunity to collaborate with students from other Nord Anglia schools across the globe, bringing a truly global perspective to your projects. Within this virtual learning environment you can also take part in challenges and competitions, learn from invited experts and contribute to global projects and ideas across the schools. You can also take part in the Nord Anglia Education Trekking Trip in Les Martinets, Switzerland.

Student Testimonials

Top 1%

in England for  
Value Added

# A-Level

A-Levels are globally recognised as the gold standard in education, preparing students for universities worldwide. We use your university and career aspirations to match you to the right programme of study.

Oxford Sixth Form College is in the top 1% of 4,404 schools and colleges in England for progress at A-Level, or Value Added. This means that, on average, our students make more progress at A-Level than their peers, despite starting with similar GCSE, or equivalent, results.

Our Two-Year A-Level programme offers the opportunity for you to thoroughly study three chosen subjects from our focused subject list with a maximum class size of eight students. From your first meeting with us, our expert admissions team will help match your personal goals and abilities to the perfect A-Level subject combinations.

Our small classes and passionate teachers provide an engaging and interactive environment which gives our A-Level students the confidence and focus they need to thrive at Oxford Sixth Form College and beyond.

# BTEC

Our BTEC Business programme is suited to those who want a more practical learning experience.

## Course options

The BTEC Business Extended Diploma is a vocational and work-related course, unlike A-Levels which focus on academic theory and traditional exams. It is an exciting, alternative route to university or employment with less of an exam focus. BTEC is accepted by over 95% of UK universities, including those in the Russell Group. Vocational focused qualifications are becoming more popular among students and universities, who recognise the additional skills that BTEC students bring with them.

**Level 3 Extended Diploma**  
13 units taken over two years.  
Equal to 3 A-Levels.

**91%**

of Parents said that their child was making good academic progress at Oxford Sixth Form College

**100%**

of students passed their BTEC Business diploma in 2023

“

I joined Oxford Sixth Form College because of the great education that it offers within an international community. I have loved meeting new people and experiencing different cultures. I love boarding as there is a diverse community and everyone is kind and respectful. BTEC is the right course for me as we work in teams, I love the group projects and this style of learning helps me understand more.”

— Ada Su, Turkey,  
current BTEC Student

2 years

**Maximum Class Size**  
10

# BTEC course structure

The course comprises a combination of coursework (55%), supervised assessment (34% - using pre-released material and research) and a small, formal exam element (11%). The Level 3 BTEC Business Extended Diploma involves the study of seven core business units:

- Exploring Business
- Developing a Marketing Campaign
- Personal and Business Finance
- Managing an Event
- International Business
- Principles of Management
- Principles of Decision Making

The six additional units that students will study include:

- Recruitment and Selection
- Investigating Customer Service
- Creative Product Promotion
- Pitching for New Business
- Training and Development
- Market Research

## Why study BTEC Business at Oxford Sixth Form College?

- Taught by teachers experience in industry
- Educational trips to real-life businesses
- Consistently excellent results

Find out more about BTEC

### Should I study BTEC or A-level?

➤ BTEC	➤ A-Level
Mostly coursework focused	Mostly exam focused
Carries UCAS points	Carries UCAS points
Applies theory to real business situations	Applies theory to exam questions
Practical based (e.g. carrying out market research, producing a business plan)	Textbook based
Accepted by UK and international universities	Accepted by UK and international universities
Most work done on computers; access to spelling and grammar checkers	Final exams are all handwritten
Strong indication of grade throughout course due to modular structure	Final grade at the end of two-year course
Results released to UCAS in August	Results released to UCAS in August
Integration with UK and international students	Integration with UK and international students

# Pre-A-Level Programmes

Our Pre-A-Level Programmes comprehensively prepare students for A-Level or BTEC study in the UK. Aimed at international students, our one-year, exam-free course will allow you to gain experience studying a range of subjects while improving their English language and skills. Both experience-focused programmes also involve taster sessions for all students.

Within a stimulating weekly programme including our Super-Curricular Programme and Extra-Curricular activities, students also develop and extend their creative and interpersonal skills.

We also have a vibrant social programme making extensive use of the many facilities within the city and the University of Oxford.

Find out more about  
Advanced Pre-A-Level

# Advanced Pre-A-Level Programme

Specifically aimed at international students with a higher level of academic English, this course is designed to further improve academic English skills in preparation for A-Level or BTEC study.

# Scholarships

Our scholarship programme formally recognises the achievement and aptitude of individuals aiming to pursue careers in the following specialisms: Art, Business, Engineering, Law, Medicine, Dentistry, and Veterinary Science.

Being a scholar is an honour and a privilege, and thus scholarships at Oxford Sixth Form College are highly prized and competitive. While our scholarship programme is for specific students, we believe that all students should be capable of engaging in enriching and challenging opportunities during their time with us.

We recognise that our scholars show particular and consistent commitment to their areas of expertise, and we therefore offer them plenty of development opportunities and support with university applications alongside their studies.

## Annual Scholarship Awards

- **The Brian Cooklin Award** for Medicine, Dentistry or Veterinary Science
- **The Ivy Williams Award** for Law
- **The Mary Jackson Award** for Engineering
- **The Aarul Malavyia Award** for Economics or Business
- **The Tamar MacLellan Award** for Art

\*One of each scholarship will be awarded annually to UK citizens only.

These five scholarships confer a fee remission of 50%.

---

## Career-focused Scholarships

- Art
- Economics or Business
- Engineering
- Law
- Medicine, Dentistry or Veterinary Science

\* A number of these career-focused scholarships are awarded every year to both UK and International students.

These scholarships confer a fee remission of up to 30%.

## Criteria

- All scholarships are only applicable to two-year programmes.
- The Annual scholarship awards application day is held in November each year.
- Career-focused scholarships are assessed at point of application. This will involve an examination or portfolio presentation.
- Internal candidates (students progressing from year 11 to year 12) are invited to apply and are selected based on the results of academic assessments in their intended A level subjects. They are considered alongside external candidates and are examined in November in the year preceding entry.
- Once a scholarship has been awarded it is retained to the end of the upper sixth, subject to annual review.
- All scholarship students are required to act as an ambassador for the college.

# Study Abroad Programme – The Oxford Experience

Join the Oxford Sixth Form College Study Abroad Programme to expand your horizons in the city of dreaming spires.

This programme is a tailored course for international students aged 16+ who would like to spend one, two or three terms studying and living in the city of Oxford. The aim of the programme is to enable students to step out of their comfort zones and undertake an incredible, new learning experience. The Programme facilitates young people from all over the world having the opportunity to enjoy a world-class university experience living in the historic city of Oxford.

If you enrol on our Study Abroad Programme you'll follow a timetable specifically crafted to give you a full and enriching educational experience, including an activities and super-curricular programme designed to enhance your time with us.

## Les Martinets Trekking Trip with Nord Anglia Education

Our students discover the magic of the mountains when they embark on this exciting, challenging expedition. Their journey through the magnificent Swiss Alps begins in Les Martinets and gives them a first-hand taste of alpine life. Physical endurance is combined with breathtaking scenery, as they learn to navigate, cook outdoors, and work together as a team to reach their destination. It's an unforgettable, once-in-a-lifetime experience. This is included with the Two-Term and Three-Term Study Abroad Programme options for students aged 15+.

“

I love the focus on the specific subjects here, my teachers are amazing, and I find learning here more interesting than I ever have before. I can study the subjects I love in a great location. The lifestyle here is perfect for me.“

— Julia A, Brazil - Currently studying on the One-Year Study Abroad Programme

## What will you study?

### Academic Subjects

English Literature, Mathematics, Biology, Chemistry, Physics, Sociology, History. All students will have 24 hours of teaching every week.

### Sports

Volleyball, Badminton, Football, Yoga, Athletics, Tennis, Basketball and many more to choose from.

### Super-Curricular Programme

All Study Abroad Students will take part in our Super-Curricular Programme which offers students guidance on topics from mental wellbeing to university application guidance and careers advice.

## An Enriching Experience

- Access to Oxford Union debates
- Learn from subject experts in small classes with an average of 6 students
- Benefit from the academic and pastoral guidance of your own Senior Tutor.

# Why enrol on the Oxford Sixth Form College Study Abroad Programme?

## The Study Abroad Programme will help you to:

- Experience self-reliance and growth by living and studying abroad
- Meet like-minded students from around the world and forge global connections
- Form good study habits in preparation for university
- Develop your academic potential with expert teachers and classes of 8 students
- Progress to top universities worldwide
- Expand your cultural awareness through weekly activities
- Excel academically while enjoying a fun and active social life
- Benefit from the academic and pastoral guidance of your own Senior Tutor

“

I decided to come here because of the incredible location and the great choice of subjects offered. The College is welcoming, and the community is diverse, I love learning with people from all over the world. The small classes make you comfortable and everyone can participate in learning.”

— Julia Z, Brazil - Currently studying on the One-Year Study Abroad Programme

91%

of Parents said that their child's confidence has developed at Oxford Sixth Form College

“

I really enjoy learning here as the subject content is varied, our classes are very interactive, and my teachers are always willing to help. I love that I can spend so much time with my friends in a really good location.”

— Vitor, Brazil - One-Term Study Abroad Programme Alumnus

## Extra benefits of our three-term Study Abroad Programme:

- Take part in the Nord Anglia Education Trekking Trip in Les Martinets, Switzerland
- Complete the Bronze Duke of Edinburgh Award Scheme
- Join the Oxford Sixth Form College Student Council
- Join the Model United Nations (MUN) and take part in the annual MUN Global Conference

# Make the most of your time with us

We offer a lively programme of activities and social events to enrich your experience and create memories that will last a lifetime.

Our clubs and societies are held at lunchtime and after College and are voluntarily led by students and staff. This past year our clubs have included:

Chess Club

Backgammon

Drama Club

Biology drop-in

Poetry Club

Creative Mixed Media Club

Creative Writing

Acoustic Guitar

Philosophy Club

Ultimate Frisbee

Houseplant Club

Yoga

Comic Book Club

Be You Club

Model United Nations

## Student Council

Our student council plays an active and important role in the college community, organising social events and fundraisers, promoting important causes and meeting regularly with the College leadership team to enact change. Being a member looks great on your UCAS application, too!

## Oxford Union membership

When you study with us you are eligible for membership of the prestigious Oxford Union debating society and will have access to world famous speakers, debates and social events. This is a fantastic opportunity for you to be a part of an exclusive Oxford academic society - don't miss out!

## Sports

Students have the opportunity to take part in a number of sports, utilising local fields and leisure centres:

- Tennis
- Badminton
- Basketball
- Football
- Volleyball and more

Find out more about  
Activities & Social Events

## Expeditions

We are delighted to offer you the opportunity to take part in high quality and engaging expeditions organised by Nord Anglia Education. Previous trips have included trekking, mountaineering and snowsports in Switzerland, and Community Development in Tanzania.

## Duke of Edinburgh

The Duke of Edinburgh Award Scheme is an excellent extra-curricular activity to be involved in and, in partnership with our sister school, d'Overbroeck's, we offer Bronze, Silver, and Gold at Oxford Sixth Form College. Many of our students have achieved all three levels of the award and thoroughly enjoy this life-changing experience which is also highly regarded by universities on application.

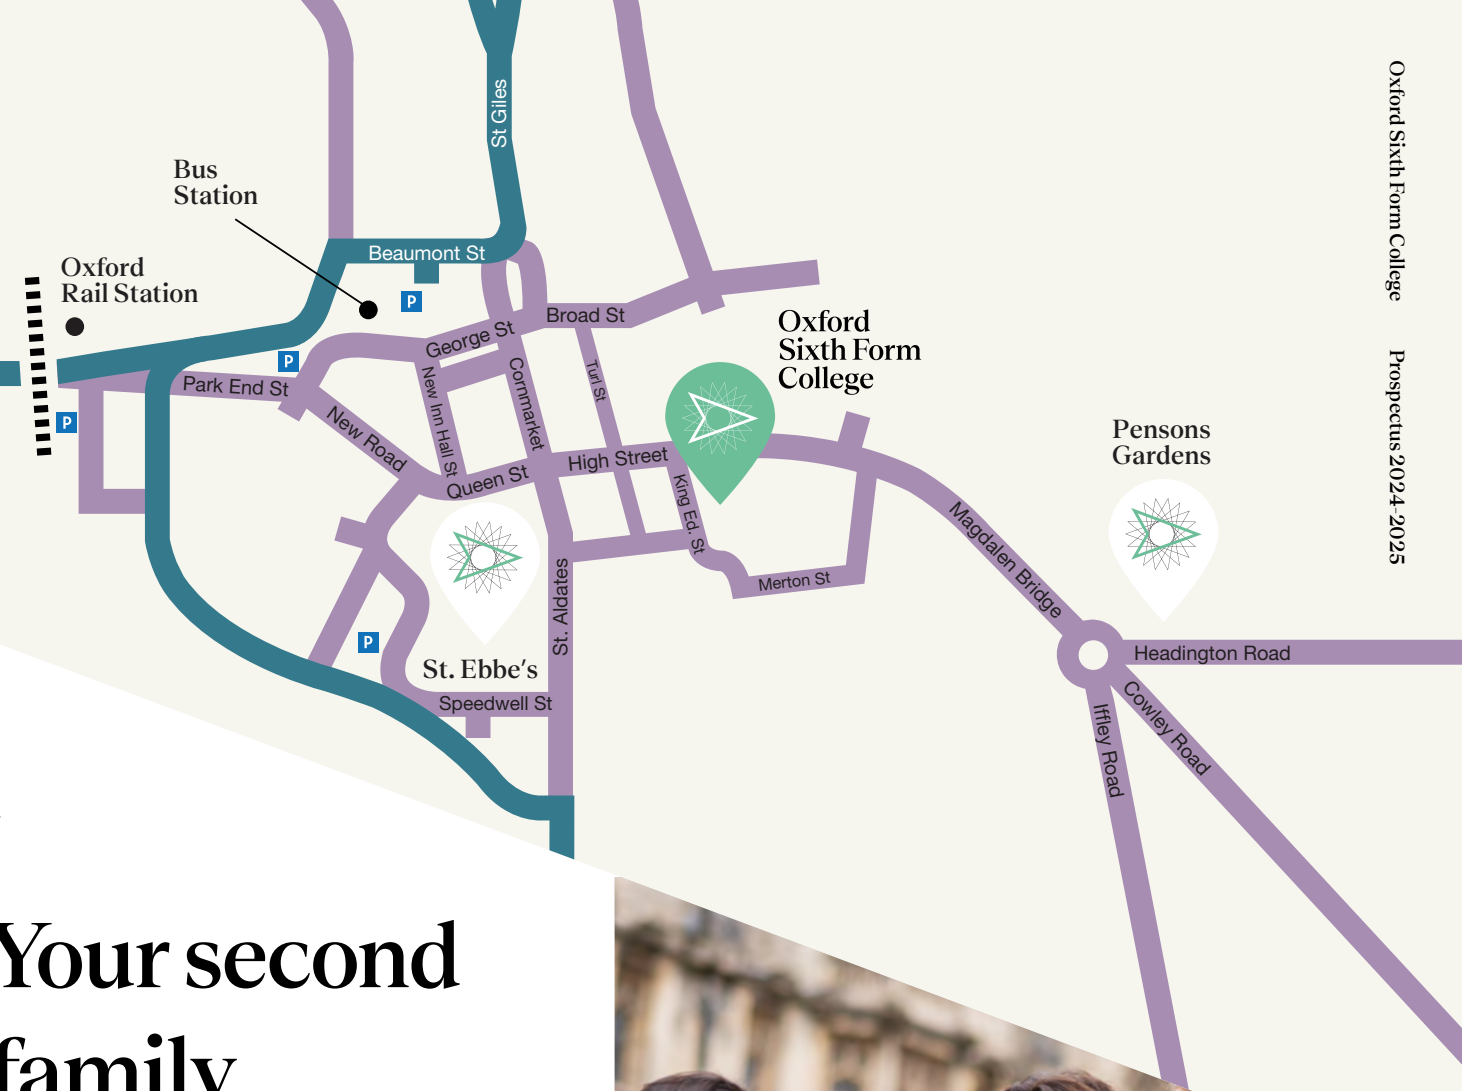

## The Model United Nations (MUN)

The Model United Nations (MUN) Programme at Oxford Sixth Form College serves as a valuable platform for our students to delve into the intricate workings of the United Nations. This programme not only fosters a comprehensive understanding of the UN's operations but also provides an avenue for students to engage in insightful debates on various global political issues and international affairs.

## Your second family

Boarding with us only serves to enrich your time here, living and studying with your peers and building friendships to last a lifetime.

We have a range of boarding options to choose from; each is comfortable, en-suite accommodation with Houseparents around at all times to provide support and to make sure you are happy.

# Boarding for students aged 15-19

## St. Ebbe's

This boarding house is located in the city centre, a short walk from the College. It has 24-hour staff cover from our houseparents, who are available to give personal supervision and support at any time. Breakfast and evening meals are served daily.

## Pensons Gardens

This boarding house is made up of 31 en-suite bedrooms and is about a 15-minute walk to college. It is located close to a range of amenities, as well as the beautiful South Park in Oxford. House parents are on duty 24/7 to look after you and breakfast and evening meals are served daily.

“

I would recommend Oxford Sixth Form College because of the small class sizes that allow teachers to care for every students' learning. I love boarding here with my own private room and bathroom and enjoy taking part in Football with my friends every week.”

— Tingyu (Aaron), China
