

2018 A-LEVEL RESULTS

Oxford Tutorial College is celebrating another year of good A-Level results, with students going on to study a range of subjects at top UK universities, including Loughborough, Manchester, UCL, Newcastle, York and Warwick.

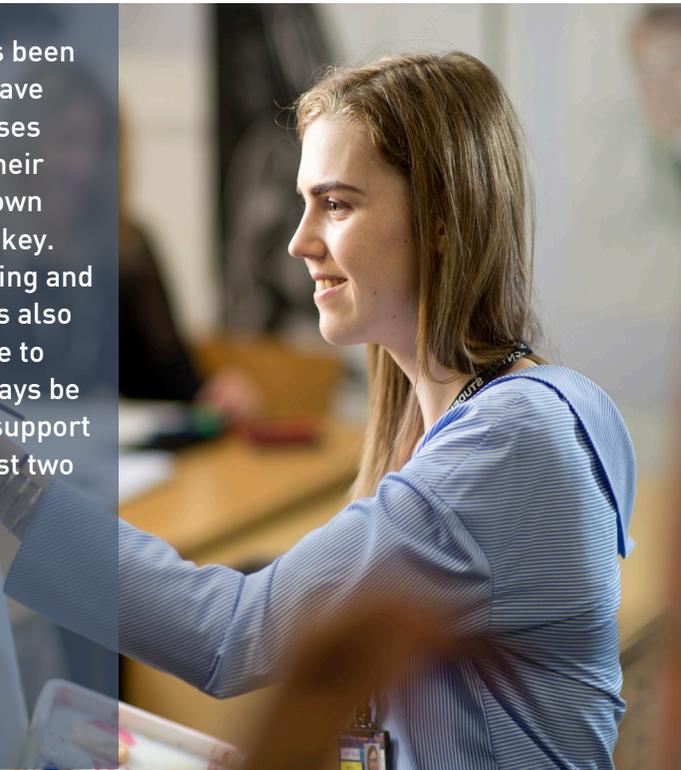

With over 30 subjects available and a personalised approach to teaching, our A-Level courses offer students a range of options, whether they're retaking their exams or sitting them for the first time.

75% of students received offers from Russell Group universities this year

“My experience at OTC has been better than I could ever have imagined. The small classes and tutors who tailored their teaching methods to my own way of learning has been key. Their support before, during and after the exam period was also so helpful and allowed me to take my exams. I will always be grateful to OTC for their support and guidance over the past two years.”
