

OXFORD
SIXTH FORM COLLEGE

ACADEMIC PREPARATION PROGRAMME

The Academic Preparation Programme (APP) is an intensive course designed to give international students the support they need to ensure progression to their studies of choice. This might be to our own GCSE, A-Level, BTEC or International Foundation Year programmes, or similar programmes elsewhere.

Students taking APP should expect to increase their English language level by a minimum of 0.5 IELTS points per term.

APP is the perfect gateway programme to settle international students into the UK education system and prepare them for the next stage of their academic career.

“

“I loved how the teachers taught us and how much they encouraged and believed in us. It was definitely a year to remember and one of the best years of my education.”

HAWAA, PAKISTAN

”

MODULES

IELTS - English for Academic Purposes

Teaches English vocabulary and grammar to help students with their academic writing

Reflective Studies

These sessions allow students to review the vocabulary and skills learned on a particular day

Core Reading

Students study set texts which aim to improve their grasp of academic vocabulary, as well as grammar and sentence structure

Study Skills

Students work on important study skills such as essay planning and writing, presentations, note-taking and more

Taster Classes

These are taught by GCSE, A-Level and BTEC Business teachers and provide students with an introduction to a range of key academic subjects

ASSESSMENT

Students are assessed on a weekly basis through quizzes, group work, tests, mock exams, presentations and projects. At the end of the course students sit a Password test to demonstrate their readiness to progress to GCSE, BTEC Business, A-Levels or the International Foundation Year
