

2019 A-LEVEL RESULTS

Our A-Level students are celebrating another year of successful results and acceptance into top UK universities. 2019 destinations include Cambridge, Durham, Lancaster, UCL, Warwick and more.

Our results are representative of the combined efforts of our hard-working students and the high quality teaching standards of our dedicated staff.

Clearly we loudly applaud and celebrate our students receiving offers from top universities but we place more importance on the fact that through careful and expert guidance and support all of our students are able to attend the universities that best fit their interests and goals.

70% of students were accepted into their first choice university in 2019

The atmosphere is incredible. The staff are very supportive and all the students are very friendly and the small class sizes mean that you make progress much faster than in other schools.
