

Policy for Health and Safety of Students on Educational Visits

Date updated: June 2019
Date to be reviewed: May 2020

Policy for Health and Safety of Students on Educational Visits

This policy is written with regard to the DfE guidance document; 'Health and safety on educational visits' Published 26 November 2018 and covers all trips and activities both within the College working day/week and at weekends.

Oxford Sixth Form College recognises the value of the many educational and extra curricular visits that take place during the academic year. These vary from regular sporting fixtures to residential cultural trips. Examples of educational visits include:

- Sporting fixtures
- Visits to art galleries, museums and the theatre
- Science field trips
- A residential team-building course designed to improve students' cultural and social skills
- Residential Geography fieldtrips.
- Social activities including: ice skating; cinema visits; paintballing; indoor skiing; restaurants; pool and bowling

The Co-curricular Manager (Educational Visits Coordinator EVC) or the Assistant Principal Pastoral and Boarding (APPB) can give advice on the planning of educational visits and risk assessments. A member of the SMT or appointed deputy must give final approval before the educational visit takes place.

The following documents should be used by group leaders in conjunction with this policy to aid planning:

- 1. Guidelines for Educational Trips and Visits (DfE Health & Safety on Educational Visits <https://www.gov.uk/government/publications/health-and-safety-on-educational-visits/health-and-safety-on-educational-visits>)**
- 2. Risk Assessments for Educational Trips and Visits and Risk Assessment Form and Form Completion Guidelines (Appendix A, B & C)**
- 3. Educational Trips and Visits Planning, Application and Approval Form**
- 4. Parental Consent Form for Educational Trips, Visits and Out of College Activities (Part of the Enrollment form or for High Risk activities see Appendix B)**

It is recommended that you refer to the Crisis Management policy for guidance when planning your trip.

For every educational visit, a group leader will be appointed and the composition of accompanying staff group planned to ensure an appropriate level of supervision and expertise. The group leader will be responsible for all aspects of the educational visit, although the group leader may delegate tasks to other members of staff or

volunteers accompanying the trip. The staff to student ratio should not only reflect the nature of the trip but also the gender balance, ages and individual needs of those students going. The Co-curricular Manager will advise on appropriate staff-student ratios but as a guide 1:12 for local and low risk activities, 2:12 for activities outside Oxford. Trips abroad will need to be individually assessed for the ratio of staff to students. All personnel to be included in these calculations must be authorised by a member of the SMT or appointed deputy. The group leader will draft the guidelines and code of conduct for the students taking part in the visit ensuring they are clear and that it is explained to them. The group leader will organise the group effectively, preparing students including those with particular learning and medical needs.

The group leader must ensure that:

- appropriate child protection procedures are in place. The risk assessment must include a statement that appropriate vetting checks (for example DBS checks for supervisors on overnight stays) have been carried out
- appropriate risk assessments have been carried out
- the expectations of acceptable students' behaviour are understood by students and staff,
- all necessary actions have been completed before the visit begins
- training needs have been assessed and met and the needs of staff and students considered
- at least one member of staff is suitably competent to instruct the activity
- non-teaching supervisors on the visit are appropriate people to supervise children
- ratio of supervisors to pupils is appropriate
- parents/guardians have signed the consent forms for students who are under 18. If over 18 a student can sign his/her own consent form.
- arrangements have been made for the medical and educational needs of all students on the educational visit
- adequate first-aid provision will be available, First aid kit to be taken on out of city trips.
- there is adequate and relevant insurance cover and that the insurance cover arrangements have been approved by the Financial Controller
- the travel arrangements and timings are known
- a school contact has been organised and all the accompanying staff have details
- all those who need to, have names and contact details of everyone in the group, as well as full details of the arrangement
- A trip phone taken out on all trips; this will be signed out from reception when the risk assessment is handed in. It will be returned when the trip returns or first thing the next morning if after normal working hours.
- all the staff on the visit, the school contact, and the Principal or appointed deputy should be given details of the following:

- the address and phone number of the visit's venue and have a contact name;
- a copy of the agreed emergency procedures;
- the names of all the adults and pupils travelling in the group;
- the contact details of parents and the teachers' and other supervisors' next of kin;
- risk assessment documents;
- a contingency plan for any delays including a late return home.

Planning

- Outline approval by a member of the SMT or appointed deputy should be requested before any other planning takes place. (See Appendix A)
- Dates, times, budgeting and staffing arrangements of the proposed trip should be checked with the Assistant Principal Academic.
- Transport and other arrangements should then be made and confirmed in writing (Assistance from the Co-Curricular Manager should be sought).
- A full risk assessment for the whole visit, including each significant activity, must be made and appropriate planning undertaken as a result of this. The risk assessment must include first aid arrangements and vetting checks (for example DBS checks for supervisors on overnight stays). Particular attention must be given to safeguarding arrangements and the likelihood of a terrorist attack and what measures the trip leader will take in the event of an incident (see the Safeguarding, Child Protection and Crisis Management policy). An exploratory visit should be carried out prior to the event if necessary, to better assess the risks involved.
- The document: Educational Trips and Visits Planning, Application and Approval Form must be completed and approval given by a member of the SMT prior to the visit.

Contact with Parents/Guardians

Parents or guardians should be sent details of the proposed trip via the appropriate Senior Tutor/s, which should include the following;

- dates, times and the proposed itinerary
- transport arrangements
- preparing students, including those with particular learning needs and medical needs
- cost and payment arrangements if appropriate including the payment of refundable or non-refundable deposits and details of extra costs, guidance on pocket money etc.
- details of staffing: supervision including ratios and vetting checks (for example DBS checks for supervisors on overnight stays)
- insurance
- details of the code of conduct for students going on the trip
- details of any equipment, clothing etc., students need to take

- o emergency procedures including contact details and permission for emergency medical treatment if the parents/guardians cannot be contacted

Parents will have been asked to consent to trips and activities on part of the enrolment form. **Students will not be permitted to take part in the trip or visit if a consent form is not completed.** For any trip involving an overnight stay this should involve consent for a member of staff to act *in loco parentis* in terms of agreeing to medical treatment in an emergency. Parents should be asked to provide emergency contact numbers and a medical report detailing any known medical conditions or allergies their children have. Once these are known, if the group leader has any doubts as to whether or not a given student should attend, this should be discussed with a member of the SMT or appointed deputy. Regular sporting fixtures and local low risk activities do not require a consent form.

Further Arrangements

- o A responsible person must be appointed to act as a College contact and a relevant telephone number given. A member of the SMT or appointed deputy must know the identity and details of this contact.
- o A full list of members of the party along with the detailed arrangements, to include consent forms and risk assessments, must be provided for the Co-curricular Manager and a copy of this kept on the college's Data system, PASS.
- o Parents should be provided with details of the trip including the estimated return time and emergency procedures for informing them of late or early arrivals. This will include the trip phone number which is being used for the trip.
- o When students are missing lessons then a list of those going should be noted on the register in Celcat and their Senior Tutors informed.

During the School Visit

Detailed advice is set out in the DfE Guidelines for Educational Trips and Visits 2018. It is essential that all students be supervised with the degree of care that would be expected from a responsible parent in similar circumstances. The group organiser should be prepared to modify plans in the light of circumstances and in the interests of the group's welfare and in the event of a suspected or actual terrorist attack follow the plan agreed in the Risk Assessment. See the Crisis Management policy for guidance.

Emergency Procedures

It is the responsibility of the party leader to see that all staff accompanying the visit have been given relevant documentation on students' medical conditions and emergency contact numbers. The group leader should ensure that all the staff are aware of the emergency procedures. See the Crisis Management policy for guidance.

After the Visit

A statement of financial account should be agreed with the Financial Controller. Depending on the nature of the trip, a brief written report on the trip should be provided for a member of the SMT or appointed deputy and appropriate College publications. In the event that there has been an accident, emergency or terrorist attack during the trip the group leader will be required to provide a detailed, timeline account of the events and the action taken. Depending on the severity of the situation parents/guardians and or agents will be informed by a member of SMT as soon as it is possible to do so.

Appendix A

Oxford Sixth Form College: Educational Trips and Visits Planning, Application and Approval Form

The visit organiser or group leader should complete this form as soon as preparations for the trip are complete. The visit organiser should have already received permission from the appropriate Assistant Principal for the proposed visit with regular updates to the SMT member on the progress of preparations and any subsequent changes to planning, organisation or staffing. The visit organiser should obtain parental consent where appropriate using the Consent Form for Educational Trips and Visits. When complete this form should be kept on the visit organiser's trip file and a copy given to the Co-curricular Manager with copies of the documentation requested. Any insurance requirements should be checked with the Financial Controller.

NB Not all section will be relevant to every proposed visit. Please attach any extra information not covered in these sections.

1. General details

Group participating:

Visit organiser:

Date of consent from Principal/Assistant Principal (Attach email authorisation document):

Size and composition of group:

Age range:

Leader (adult) to participant (student) ratio:

2. Purpose of visit and specific educational objectives

3. Places to be visited

--

4. Dates and times of departure/return to/from College

5. Transport arrangements (including name of transport company)
--

6. Organising company/agency including any ABTA/licence no. (if any)

7. Proposed cost and financial arrangements
--

8. Details of programme of activities
--

9. Details of high risk activities and associated planning, organisation and staffing (attach a full risk assessment of activities)
--

10. Names, relevant experience/qualifications and responsibilities of accompanying staff/supervisors accompanying the group
--

11. Confirmation of appropriate vetting checks (DBS checks) for all staff including supervisors on overnight stays

12. Existing knowledge of places to be visited and whether an exploratory visit is to be conducted

13. Consent information – all forms duly completed and signed (Yes / No)

.....

14. Names and details of any students with particular learning and /or medical requirements

.....

.....

Please attach copies of the following documents:

- Any information sent to parents
- Internal risk assessment forms for each activity and from the activity providers for higher-risk activities, coach travel companies, external educational visit organisers/providers
- A full list of students and staff attending
