

Oxford Sixth Form College has partnered with NCUK to offer the IFY Business Pathway.

The IFY Business Pathway is an alternative route to A-Levels, specifically designed for international students to help bridge the gap between your current qualifications and starting your first year university degree. Students who successfully complete the IFY gain guaranteed access to thousands of degree courses at NCUK universities.

The IFY programme comprises three compulsory academic subject modules together with an integrated programme of English for Academic purposes (EAP).
