2020 A-LEVEL RESULTS

Our A-Level students are celebrating another year of successful results and acceptance into top UK universities. 2020 destinations include UCL, Edinburgh, King's College, Warwick, Bristol and more.

Our results are representative of the combined efforts of our hard-working students and the high quality teaching standards of our dedicated staff despite a disrupted year!

Clearly we loudly applaud and celebrate our students receiving offers from top universities but we place more importance on the fact that through careful and expert guidance and support all of our students are able to attend the universities that best fit their interests and goals.

70% OF STUDENTS GAINED ENTRY TO THEIR FIRST-CHOICE UNIVERSITY

“There’s a great support network for international students and I feel very lucky that we have Senior Tutors here.”
