2022 A-Level Results

Our A-Level students are celebrating another year of successful results and acceptance into top UK and Russell Group universities. 2022 destinations include Cambridge, King's College, Manchester, Bristol, Birmingham, Sheffield and Queen Mary, as well as top Art schools such as Central St. Martin's and Falmouth University.

Our results are representative of the combined efforts of our hard-working students and the high quality teaching standards of our dedicated staff. Clearly we loudly applaud and celebrate our students receiving offers from top universities but we place more importance on the fact that through careful and expert guidance and support all of our students are able to attend the universities that best fit their interests and goals.
